FOR YOUR INFORMATION
by Mayor Laila Riazi

Call 301-789-8009 to contact the Mayor. The Mayor's door at the Community Center is open to visitors on **Monday evenings** from 7:30 to 9:30 PM, except holidays or if otherwise posted.

Hello Cheverly Neighbors and Friends,

In a place of gratitude.

As the days get shorter and colder, we are all called to be in a place of gratitude for what we have and for the people in our lives. May this Thanksgiving find you well. May we be generous of spirit with each other and find ways to uplift, include, and engage in both our words and deeds.

I hope to see you soon and to regularly hear from you. The Mayor's office door is open, and I welcome your calls and texts. Until then—be Cheverly connected and Cheverly inspired!

Cheverly and the 2020 Census—we need to be counted—there is a great way to help!

We are working with the County to host a Census Kickoff meeting in the next couple of months to form a 2020 Census Complete Count Committee here in Cheverly. Please stay connected for a date and time and plan to attend. We will need eight to ten (more would be lovely) residents to serve on the committee. The 2020 Census is quickly approaching, and Prince George's County has stepped up to enroll municipalities in helping reach a complete count. This effort is critically important. If undercounted, our County is at risk of losing an estimated \$18,250 per person of program resources and supports over ten years. Quoting from the County "As you know, every ten years, the U.S. Census Bureau counts each resident in the United States. The outcome of the Census directly impacts Prince George's County residents through congressional representation, redistricting, business and economic development, and federally funded programs such as the Supplemental Nutrition Assistance Program (SNAP), Children's

Health Insurance Program (CHIP), and Women and Infant and Children (WIC). Thus, participation from every Prince Georgian is imperative to ensure our community is not undercounted." You don't have to wait for the meeting to contact me with your interest!

A few words on leaves.

It's that time of year! Be sure to save the enclosed Public Works Department Leaf Pickup Schedule. Important: your order in the pickup schedule has likely changed! Due to resident feedback, addresses usually scheduled last in the timeline have been brought forward in the calendar and vice versa. Weekly News and Announcements will list the leaf schedule for the next week, and the schedule is easily accessed under the Public Works tab of the Town Website (www.cheverly-md.gov). Also, please take care not to rake in branches, stones, or other debris when raking your leaves to the curb, as these items can severely damage equipment and interrupt the pickup schedule for everyone! Do remember leaves cannot be placed in plastic bags for pickup! If you have new neighbors, please introduce them to the process and let them know to look forward to ordering leaf mulch in the spring.

Continued concern regarding behavioral health care facility/addiction recovery proposal.

Last month I shared that Walden Sierra and Pyramid Health Care were reviewing their proposal to locate a behavioral health/addiction recovery center in Cheverly. Their concerns involved their project timeline versus the timeline the Town outlined to ensure Mayor and Council consideration and community engagement and review of the proposed project. Walden Sierra had assured us that they would be back in touch

with us by October 1. Our last contact was on September 25. As of October 22, we have yet to hear anything further. This item is slated to be on the agenda for discussion in our October 2019 Mayor and Council Worksession.

I remain seriously concerned about the reluctance to support a community outreach timeline, and actions, on multiple occasions, to engage in County-level conversations before meeting our requests for program and project details. We have made it very clear that a sincere commitment to engaging community is a must in how we govern and make development decisions.

Proud of our progress and always looking for ways to improve.

At our last Town Meeting, Council approved minutes from several meetings and worksessions, bringing our Town meeting records fully up to date. We owe credit to our dedicated Town staff. Thank you! We are also working toward earlier posting of meeting agendas, even if that means that we need to add material after the initial posting. You may also observe a new practice of posting closing forms outside the door of closed meetings, and the inclusion of minutes from closed meetings for Council approval. As an additional step in supporting public engagement, we now have a printed copy of agenda materials available on a clipboard for public review at Mayor and Council meetings and worksessions. Although I had already completed Open Meetings Act (OMA) training as a Councilmember, as Mayor, I have now completed both the online training offered through the office of the Maryland Attorney General, as well as OMA training through the Maryland Municipal League. Your Councilmembers are also completing online and in-person OMA training. Your Mayor, Council, Town Staff, and Town Attorney work in partnership to responsibly engage and conduct closed meetings.

See inside for helpful information on the Ethics Commission.

Please take a moment to note the addition of a central email address to how one can file an ethics complaint. I always appreciate the opportunity to answer questions regarding the Commission, and you will find that my answer will always include the essential note that the Ethics Commission rightfully and necessarily operates independently of the Mayor and Council. Additionally, although each Councilmember and the Mayor appoint an individual to the Ethics Commission, appointed individuals do not represent or advocate on behalf of specific wards. Instead, the body meets and acts as a Commission, and is supported in the performance of its duties by the Town Attorney. Although the Town website is under construction, a quick search will guide you to more information, including a history of ordinances

related to the Commission.

Reminder—H2O Friend and Foe! November 9 at Town Hall.

News Flash!! There will be a child activity area as part of the H2O workshop! Mark your calendars and sign up for a valuable Saturday, November 9 workshop (catch more info later in the newsletter). Fall and winter are for planning! Learn more about soils and water, map and share your water woes, access rain garden info, and purchase and apply for grant reimbursement for rain barrels. This fall workshop will set attendees up for success in follow-on workshops planned for the spring.

Connect—text, phone, email, in person.

I want to hear from you and work with you on Town services and community needs. Monday evening office hours are from (7:30-9:00 pm) at Town Hall, 6401 Forest Rd., so please stop by. My mobile, 202-258-6167, is almost always with me, and both calls and texts are welcome. My email is mayor@cheverly-md.gov. If you are ever in a situation where you do not hear back from me, please do reach out again or call the Town office, 301-773-8360, so that I can ensure that we connect. Thank you to those who have started joining us at work sessions and meetings. I encourage your involvement and attendance. It feels good to have community in the room.

Ethics Commission

The primary purpose of the Ethics Commission is to address campaign finance related issues and conflicts of interest.

The Town's Ethics Ordinance is found in Chapter 3 of the Town Code. This Ordinance was drafted by the State Ethics Commission and any changes to it must be approved by that body.

If you need to file a complaint with the Ethics Commission, you may drop it off in person at Town Hall or email it to ethicscomplaints@cheverly-md.gov. It is important that the process for filing an ethics complaint is followed to ensure the integrity of the process.

Once a complaint/issue is brought forward, the Ethics Commission members will meet and address it pursuant to the requirements of the Ethics Ordinance.

Message from the Chief
Jarod J. Towers
(policechief@cheverly-md.gov)

One team, One mission, Team Cheverly!

Holiday Turkey Drive!

We are gearing up for our second annual Holiday Turkey Drive and are currently communicating with our houses of worship to identify families that could benefit. If you, or someone you know, knows a family that could benefit, please do not hesitate to reach out to me directly at policechief@cheverly-md.gov. All information will be kept confidential.

Theft from Auto:

Theft from auto remains the number one crime in Prince George's County and Cheverly is not immune! As of October 22, 2019, there have been 3,596 reported thefts from an automobile in Prince George's County and 35 reported thefts from an automobile in Cheverly. These numbers do not include instances where a vehicle was rummaged through but nothing was taken, or incidents that have gone unreported. While our department is implementing strategies to combat these crimes, our community approach to co-produced public safety will always be our best bet. Please, please, please, report suspicious activity, especially during the night. Additionally, if you happen to have any video of suspicious activity, please contact our detective at tips@cheverlypolice.org. *This email is not monitored 24/7.

New Officer Swearing in:

On October 10, 2019, we welcomed our newest officer, Officer Battle, to the department at the town's monthly meeting. Officer Battle officially began with the department on September 30, 2019. He comes into the department as a lateral, bringing with him his 3 years of experience from the District Heights Police Department.

Recruitment:

During the first two weeks of October, the department began evaluating applicants for all vacant positions. We are anticipating selecting the top candidates for several positions, including the lieutenant's and sergeant's positions, in the coming weeks.

Coffee w/ the Chief:

This month, Coffee with the Chief will be held on Monday, November 18th, from 4 PM to 6 PM, and Wednesday, November 20th, from 9 AM to 11 AM. The turnout to these events has allowed us to gain a better understanding of issues that face the community, we've even had the honor of badging Junior Officers at these events. So come out, voice your concerns, ask questions, and enjoy some coffee with donuts!

House Check Program:

If you are going out of town for more than one night, and want peace of mind that everything is ok on the home front, sign up for a house check. Every single day that you are gone, a police officer will visit your residence to ensure that everything is ok. Officers will walk the perimeter of your home to ensure that every window and door is secure, just the way you left it. To sign up, call the station or sign up online at: <https://www.cheverly-md.gov/police-department/webforms/house-check-request-online-submittal>

If you have a concern, an idea, or just want to introduce yourself, please don't hesitate to contact me. I can be reached at jtowers@cheverlypolice.org or policechief@cheverly-md.gov or 301-341-1055. One Team, One

Mission, Team Cheverly!

CHEVERLY DAY 2020

****WATCH THIS SPACE****

Cheverly Day is May 16, 2020 and the plans are coming together.

The headliner this year is King Soul, an eight-piece, blue-eyed soul band that plays soul classics, as well as originals. Give them a listen on Amazon, itunes and Spotify. This popular local band has played such venues as Pearl Street Warehouse, Columbia Park Blues Festival and The Hamilton. They take the stage 7pm. You'll be dancing.

Back this year by popular demand: Bubble soccer.

Did you know that while the Town of Cheverly contributes generously to Cheverly Day, that contribution doesn't cover the entire event? The Cheverly Day team is always looking for sponsors and donations. Go to CheverlyDay.org and click on the **donate** or **sponsorship** button. If you would like to send a check, please make it payable to: Cheverly Day and send it to 6401 Forest Rd. Cheverly, MD 20785. And thank you for helping to make Cheverly Day a success.

We are always looking for folks to join the Cheverly Day Team. Become of fan of the team by liking Cheverly Day on Facebook. The date of the November Cheverly Day meeting will be announced on social media.

November meeting date: TBD, watch for an announcement on FB

Are You Prepared for an Emergency or Disaster?

Cheverly Village is excited to partner with the Cheverly Community Emergency Response Team (CERT) on increasing community outreach during disaster

events (e.g., fires, floods, hurricanes, significant power outages, human-created emergencies). The mission of Cheverly CERT is to provide critical support to the Town of Cheverly and assistance to residents during an emergency.

Cheverly CERT is collecting names, phone numbers, and addresses of Cheverly residents who have decreased mobility or otherwise may need additional assistance to assist the Cheverly Police Department in accomplishing disaster-related check-ins. Information collected will be used only for these check-ins and will be kept at the Cheverly Police Department.

If you have questions or would like to be included on the check-in list, please email Cheverly CERT at cheverlycert19@gmail.com. If you know a neighbor without access to email, please email contact information, and a CERT volunteer will reach out directly.

To find out how to be a member, a volunteer, or a supporter of Cheverly Village, please call us at 240-770-1033 or email Village@CheverlyVillage.org.

Boy Scout Troop 257—in partnership with Cub Scout Pack 257—is launching the fall charitable season with the annual Scouting for Food drive on Saturdays 11/2 and 11/9. Stickers are distributed by Scouts on 11/2 asking for non-perishable food donations to be set out for pickup on Saturday, 11/9.

We need all the help you can provide: we partner with Gladys Noon Spellman Elementary to provide food directly to food insecure families in Cheverly. If you didn't get a sticker, you can still donate in the Dugout at the Cheverly American Legion—which sponsors Cheverly scouts. Stand up and help support your community. You can also buy firewood at the Cheverly Holiday markets on November 23rd and December 14.

The Troop also has another month of adventure ahead during November: Veterans' Day weekend, the troop will conduct a backpacking trip on the Appalachian Trail. Sunday, December 15 will bring an orienteering activity at Quantico, and January 2020 will mark another "Ice-Man Challenge" camping expedition on Martin Luther King, Jr., weekend.

Want to join? Contact Troopmaster David Abram at 202-744-7100 or Caroline Jarboe at 301-404-9693 (text better).

Progressive Cheverly: Be Informed and Engaged

On the first Thursday of the month from September to June, Progressive Cheverly hosts interactive Forums where residents can ask questions, voice concerns and take action on issues that impact our community. Join us at our new mobility-accessible location at Gladys Noon Spellman Elementary School.

Thursday, November 7th at 7pm

Listen to Delegate Lorig Charkoudian (D-20) and Lily Hawkins from Food & Water Watch as they speak about community choice energy, a powerful tool for energy choice and delivery that's gaining traction throughout the country. The community choice energy model halts the reliance on a single utility company and lets local governments bargain for cleaner, more affordable energy on behalf of residents and businesses. While other states like California, Massachusetts, New York, Ohio and Virginia, have adopted legislation authorizing community choice energy, Maryland has not. Charkoudian has taken the lead on changing that. Join us to learn more about what community choice energy is, how it works, and how it can benefit Cheverly and other Maryland communities.

All monthly forums will be held in the multipurpose room at **Gladys Noon Spellman Elementary School** (3324 64th Avenue; direct access to multipurpose room available via 63rd Avenue entrance), Cheverly. Parking is available. Refreshments will be served. Location is mobility-accessible and ASL interpretation will be provided.

Progressive Cheverly is a grassroots, volunteer-led organization that's been supporting democracy from the ground up since 2005. Progressive Cheverly focuses on several main areas, including: education on key issues; advocacy with local, state and federal legislators; and collaboration with local coalitions on progressive issues like the environment, health care, civil rights and government reform. Progressive Cheverly focuses on helping to empower our residents to effect positive change for our community.

The Ward 4 Civic Association will meet at 7:00 PM on November 18 (the third Monday of the month), in the Cheverly Community Center conference room.

Meetings last for one hour, and are open to all. ALL FOURTH WARD RESIDENTS ARE INVITED AND ENCOURAGED TO ATTEND.

What does the Ward 4 Civic Association do?

We identify issues affecting the Cheverly community and Ward 4 in particular. We encourage residents to become involved with and participate in civic matters at all levels of Government --Town, County, State, and Federal. We also foster an environment to improve communication among all residents of the Ward and Town officials. We are currently looking for volunteers to serve on various committees.

How do I know if I live in Ward 4?

This map:

And this street-by-street description:

https://www.cheverly-md.gov/sites/cheverlymd/files/uploads/ward-street_listjan2014.pdf

Indicate the Ward boundaries. Roughly speaking, it spans from the southern border of Cheverly south of Route 50, northward to Forest Road, and includes the eastern side of 63rd Place up to Inwood Street. . . but check the map boundaries, especially for borders cutting partway through blocks or streets.
